Special characters

Use * and _ carefully: 2 * 3 = 6 and snake_case_name should survive. Brackets [like this] and `backticks` need care too, and so does a pipe | between words.

Angle <tags> and comparisons such as 5 > 3 appear as well.

Not a heading but a paragraph that merely starts with a hash sign.

1984. That year was long ago and the number must not turn into a list.

Final paragraph without anything special.
